

## INTERDISCIPLINARY RESEARCH GRANT (IDRG) APPLICATION COVER SHEET

Each potential collaborator (3 max.) should complete a cover sheet. **One** collaborator should compile the completed cover sheets and other application materials and submit the whole as a single PDF to obermann-center@uiowa.edu.

Title of project:

Proposed start and end dates of project (a continuous 2-week period between mid-May and mid-August\*). 1st preference:

2nd preference:

Your name:

Position:

Organization(s) or UI department(s):

Office mailing address:

Email Address:

\*If your group requires a longer collaboration, please include a separate page explaining why.

**For UI collaborators only: Please ask your DEO to complete the following section.**

DEO Name:

I approve this application.

I approve the special compensation stipend that accompanies this opportunity.

DEO Signature:

Date:

*If you cannot sign digitally, please print this cover sheet, sign, and return to applicant.*

**For submitting collaborator only:**

I have attached to this cover sheet the required application materials:

Completed cover sheet from each collaborator (3 collaborators max.)

CV for each collaborator (each no more than 3 single-space pages)

Short abstract (max. 300 words)

Project narrative (max. 5 single-spaced pages). See Obermann website for more information.

If you or one of your collaborators previously received one or more Obermann Interdisciplinary Research Grants, include a list of the titles and years of each grant, along with full citations for resulting publications, creative work, or external research grants.
